2017 French Summer Camps listings

Whether you are looking for a traditional summer camp experience, a sports day-camp in French, or a week-long tenting experience for the whole family, we have the information you need!

A French camp experience offers fun and adventure AND it provides the structure for keeping up your child's French during the summer months, a time when many students fall out of practice. Campers are able to improve their fluency by being exposed to different fun activities which allow them to use their language in a real-life setting.

Looking for more French camps across the country?

CPF National's 2017 Summer Camps Listings

Please note: If you have questions about any of these camps, please get in touch with the camp directly. We're happy to present this list as reference information, but we aren't in a position to provide details and any recommendations about which camp is right for you. If you belong to an organization that offers summer camps in French and would like to be included in the BC/YK Camps list, please contact digital@cpf.bc.ca.
