9. Round Table

- Nicole S wondered what the policy was on board attendance at French Advisory Committee meetings.
 - John Chenoweth was asked to be a part of our committee at the beginning of the 2023/2024 school year.

- Has been invited to meetings but has not been in attendance
- Nicole S wondered if Steve or Jane should be in attendance
- Steve & Jane could you please clarify?

Committee asked Nicole S and Maria what they are hearing from fellow parents about the current F.I. program :

- Not perfect (vacancy at MSS an issue) but appreciate people working together in a positive way to improve the F.I. program
- CV: improved parent perspective
- MSS: still a feeling of lack of quality due to vacant FI position. Happy with Mr Wowchuck and his work with MSS students in the interim
- Maria felt this will improve as we move forward...current MSS group's perspective may not change

Really want show students the value/reward of doing French Immersion

- Trips in Grade 7 & high school for students to see the application of their acquired second language first hand
- Connect with other districts offering French Immersion. Give students an opportunity to visit, connect & collaborate with other French speakers

Exit Survey

- This idea has been brought up many times over the past few years
- Would like to get an idea of why students are leaving the program via an exit interview/survey
- Find common issues/concerns so that they can be addressed moving forward
- Steve & Jane do you think this is possible?

10. Confirm next meeting date

Thursday May 30 @ 1:00pm
